Anas Ahmed Mohammed

Sales Management & Business Development | SaaS & Enterprise Solutions | Digital Products

Sales and business development professional in the Software-as-a-Service (SaaS) sector, selling ERP, accounting and HR systems to companies, having founded and managed branches in Madinah, Al Khobar and Riyadh. Co-founder of Yourdis, where I lead product development and operations. I combine commercial experience with a practical understanding of systems and data, and use AI tools to turn business needs into workable technical solutions.

01 Work Experience

2020 – Present — **Smart Life Software (SaaS)**

Area Manager

Worked with the company as a sales collaborator from 2018, then joined officially in 2020.

- Founded the Madinah branch, then managed the Al Khobar and Riyadh branches before returning to lead Madinah.
- Manage sales of ERP, accounting and HR systems to companies and organizations.
- Build and train sales teams, develop sales methods, and track team and client performance.
- Open new markets and build long-term client relationships.
- Received sales recognition awards.

2026 – Present — **Yourdis**

Co-founder, Product Development & Operations Lead

A Saudi platform comparing prices of authentic perfumes across online stores, available on the App Store and Google Play.

- Lead the product from idea to launch: understanding user needs, defining requirements and setting priorities.
- Direct technical development using Claude and other AI tools, and review, test and refine the output methodically.
- Build data operations: collecting product and price data from stores, cleaning and categorizing it, and automating updates.
- Set up analytics dashboards and KPIs to track platform usage.
- Oversee day-to-day operations as part of the platform team.

02 Earlier Experience

2019 – 2020	**Independent Trade** · Private shoe distribution business
2017 – 2019	**Jeddah Delivery** · Founder and supervisor of delivery operations for home-based businesses
2014 – 2017	**Al Jouna Sweets** · Pastry chef
2011 – 2013	**Al Shathliya Dates** · Founder, partner and production manager
2008 – 2010	**Tala Al Joud Dates & Sweets** · Pastry chef

03 Areas of Expertise
